
Welcome to Ambrey

Ambrey are the market leaders across the full range of maritime security services - a full 360° approach.

We are an award-winning UK company, protecting more ships than any other company with over 17,000 successfully completed armed transits, with the largest global support footprint and number of maritime security personnel across the globe.

We own an extensive fleet of our own vessels including security escort vessels, safety boats and vessel-based armouries.

We maintain a fully functioning response centre to support our clients whatever and wherever their challenge. This is linked to our innovative insurance broking services.

Security Services

We make sure that you don't have to lose out on global trading opportunities by mitigating risk – keeping ships, crews and their cargo safe in some of the most dangerous maritime environments in the world.

Our experience and global reach make us an ideal partner for more bespoke solutions too. Meeting the needs of our clients and their stakeholders is our number one priority, and we pride ourselves on getting our clients the answers they need within one hour of receipt of an enquiry.

We run a manned office 365 days a year to make sure we can deliver a one-stop solution to our customers. We have an owned fleet of vessels including, vessel based armouries, security escort vessels and supply vessels for our floating armouries.

Our 360° Approach

Uniquely in the maritime sector Ambrey delivers a complete suite of services to cater for clients' maritime and marine risk.

- We Identify risk - We Qualify risk - We Forecast risk.
- We provide solutions to Mitigate, Accept or Transfer risk.
- We Prepare, Manage and Respond to risk.

This is achieved through Ambrey's 360° service offering of:

- Intelligence to identify, qualify and forecast risk through the Maritime Risk Intelligence (MRI) platform and our experienced analysts.
- Protective Security and advisory Risk services to mitigate risk afloat or ashore.
- Offshore's security and safety vessel services.
- Crisis response to prepare, manage and respond to risk before it occurs or in the event that it does strike.
- Insurance brokering of Special Risks to transfer risk.

Key Features

PROTECTIVE SECURITY

- Maritime Security Officers (MSOs): Well-trained, discreet maritime security professionals able to work seamlessly alongside your crew – armed or unarmed.
- Able to maintain surveillance/watch duties together with security advice and response. Able to provide guests, vessel and crew security escort when in port or at anchorage.
- Maritime Security Advisor: A seasoned maritime security professional able to conduct reviews, plan and advise on all aspects of maritime security risk – technical and physical. Able to work alongside and in support of your Company and Ship Security Officers.
- Security Escort Vessel (SEV): Provision of a capable SEV when in or transiting areas of high risk such as moving between cruising grounds.

AMBREY FOUNDING PRINCIPLES

- Our clients' interests always come first. We make sure that we understand what our clients are trying to accomplish and the manner in which they want to achieve it.
- We always provide independent and objective advice. Our autonomy is our greatest strength and we will be able to disagree, regardless of the popularity of our views or their effect on our fees.
- We take great pride in the professional quality of our work. We would, if it came to a choice, rather be best than biggest.
- Our assets are our people and reputation. We will make an extraordinary effort to identify and recruit the very best person for every job. In a service business, we know that without the best people, we cannot be the best company.
- We always treat our clients with the utmost discretion. Confidentiality is at the core of our business and ensures we provide the highest standards of service
- Integrity and honesty are at the heart of our business. We will always compete fairly and never denigrate other companies
- We stress creativity and imagination in everything we do. While recognising that the old way may still be the best way, we constantly strive to find a better solution to a client's problems
