
Welcome to Ambrey

We are a world first, intelligence-led, disruptive insurance broker with one clear guiding principle: we put our clients first.

Our disruptive approach to insurance buying allows us to offer considered and competitive insurance solutions, along with dedicated support for any claims that occur. We have a global network which enables us to deliver local expertise at country level and market knowledge in the local language.

Our 360° approach

Ambrey's 360° approach to risk management is what differentiates us from the global insurance broking community.

Our Ambrey 360° service offers solutions to identify, predict, measure, and quantify your risk through our team of capable analysts.

Our Team

We know the relationships our staff develop with their clients is a vital part of what we do. So, we foster a culture of professional training and development to ensure all our people are not just experts on insurance, but also have extensive knowledge on the products we insure, from superyachts and classic cars to kidnap and ransom.

AMBREY

World First. Client First.

Our Claims Service

We realise that when you experience an event that could lead to a claim, it can be challenging, and you want to know your broker is there to support you.

Our highly trained staff are there to support you through your claims journey, aiming to make it as seamless as possible.

While we deal with our claims differently depending on the nature of the incident, rest assured that as an Ambrey client, you will always receive access to knowledgeable handlers who will liaise with third parties on your behalf and be a constant point of contact throughout your claim.

This will give you the peace of mind to know your claim will be handled with minimal disruption to you.
